

15 YEARS i-KNOW!

FROM KNOWLEDGE MANAGEMENT TO DATA-DRIVEN BUSINESS

The i-KNOW conference is celebrating its 15th anniversary! We think this is a great opportunity to reflect how research in the area of Knowledge Management and Knowledge Technologies has changed and developed further as a reaction to new challenges and opportunities.

SPECIAL TRACKS

For this purpose, you are invited to contribute submissions for the i-KNOW anniversary special track series. All tracks have in common that they combine a look at the past with an outlook into future developments. We are delighted to have engaged renowned experts to chair our special track series focusing on the following topics:

- **Industry 4.0: educating the workforce for smart industries**
Chairs: Martin Wolpers, Ralf Klamma
- **Social Knowledge Management: from collections of documents to connections of people and physical objects**
Chairs: Ronald Maier, Andreas Schmidt
- **Dynamic Capabilities: from knowledge management to continuous organizational change**
Chair: Barbara Kump
- **Augmented Reality: from visual assistants to always-on multimodal knowledge access**
Chairs: Dieter Schmalstieg, Denis Kalkofen, Eduardo Veas
- **Interactive Data Analysis: from InfoVis and SciVis to visual analytics in Big Data**
Chairs: Jörn Kohlhammer, Tobias Schreck, Vedran Sabol
- **Advances in Information Retrieval: from boolean retrieval to knowledge discovery and Big Data**
Chairs: Michael Granitzer, Benno Stein
- **Big Data Analytics: Big Data management and data integration**
Chairs: Matthias Hagen, Roman Kern
- **Recommender Systems: from algorithms to Big Data recommendation systems**
Chairs: Alexander Felfernig, Elisabeth Lex
- **Web Science: emerging knowledge flows in the web**
Chairs: Claudia Müller-Birn, Denis Helic
- **Data-Driven Business: privacy and security perspective**
Chairs: Herbert Leitold, Reinhard Posch
- **The Future of (Knowledge) Management: in data-driven businesses**
Chair: Klaus North

We are looking forward to your contributions within the **MAIN CONFERENCE** as well as the i-KNOW anniversary **SPECIAL TRACK SERIES**.

PAPER SUBMISSION DEADLINE: JUNE 22, 2015
